FOREWORD

We are happy to send you this new *Handbook of Information*. It is a guide to information and data about the General Conference Mennonite Church, its workers, congregations, institutions, and boards. We trust that you will find it helpful. Errors should be promptly reported to us.

These days are full of challenge and opportunity. These times call for ever increasing giving of time, talent, and goods. We are called to dedicated stewardship of *all* our resources. Christians must be found faithful to the cause to which they are dedicated—to deepen the Christian life, and to help others make their commitment. We are also called on to help meet the needs of people wherever they are.

May this handbook serve toward that end as well.

Erwin C. Goering, Executive Secretary.
